Chairperson Steve Renikow Sr. stated that the resolution was to exceed the allowable levy limit by \$71,400.00. Since the resolution it was determined that the Village of Wausaukee was paying significantly more than the other municipalities, so the contracted prices were updated. The Town of Wagner now has a contracted price of \$74,414.34 but the amount in the resolution will remain the same. The increase would equal \$65.65 per one hundred thousand of assessed value. It was also clarified that an elector can only vote on this matter if they have established residency in the Town of Wagner.
5. Public input – speakers will be limited to 5 minutes.
